TASK: DESIGN A BISCUIT

Tic Toc's are a tasty biscuits that help kids to learn the time. Create your own biscuit for kids that demonstrates a Mathematics concept and justify why they would be a great treat for kids.

Mathematics Concepts

- Number and place value
- Fractions & decimals
- Money
- Patterns and algebra
- Units of measurement
- Shape
- Geometric reasoning
- Location & transformation
- Chance & data

Task Steps

1. Choose a mathematics concept as your focus
2. Look at the Australian Curriculum to explore your concept in detail
3. Design your mathematics concept biscuit
4. Choose/create your biscuit flavour
5. Persuasive writing: justify why your biscuit should be chosen and how it demonstrates the mathematics concept
6. Share your biscuit and persuasive writing with the class
